

15TH REAAA CONFERENCE 2017
BALI, INDONESIA

MINO Best Project Award Presentation

By :
Mr Katsuji Hashiba
Chairman of MINO Best Project Award Committee

MINO Best Project Award

- ▶ Was established in 2016 to recognise outstanding road and/or bridge projects which have recently been constructed in the Asian and Australasia region.
- ▶ The Mino Fund was donated by the late Dr Sadamu Mino, who was the Association's 10th President from 1998 to 2000.

Project Criteria

- ▶ There are two categories:
- ▶ I. high-volume road – high-volume expressways/major highways which contribute to the economic and social development in the region.
- ▶ II. community road - rural roads and regional roads which contribute to regional and social development in the (local) region.

Project Criteria

- ▶ Nominated projects must have been completed between April 2013 (the commencement of the current REAAA Governing Council term) and August 2016 (the deadline for nomination).
- ▶ All nominations must be lodged by a member of the REAAA Governing Council.

Project Criteria

- ▶ The Awards will be presented to the owners of the winning projects during the 15th REAAA Conference, to be held in Bali, Indonesia, on 22nd–24th March 2017.

Judging Criteria

- ▶ a. Social effectiveness and impact at the international and/or national level
 - ▶ a-1: Economic benefit – economic growth, lifestyle, etc.
 - ▶ a-2: Impact on traffic flow – reduced congestion, delays, etc.
 - ▶ a-3: Impact on road safety – reduced road trauma
- ▶ b. Technical excellence
- ▶ c. Environmental friendliness/awareness
